

# **SUNBREEZE ESSENTIAL OIL & BALM**

“Magic Oil?” “Witch Doctor Oil?” The oil everyone is raving about? This very concentrated and special blend of essential oils, SunBreeze was developed for the Chinese Emperors to ease pain and promote healing of external injuries. SunBreeze may be applied in four ways:

## **Application # 1**

**Rub the oil or balm on the temples and on the back of the neck at the skull. Reapply and massage deeply into any area of tenderness. This method of application is useful for:**

**Drowsiness  
Headache  
Increased mental alertness  
Motion sickness  
Muscle tension  
Reduction of fatigue**

## **Application #2**

**Rub the oil or balm on any other part of the body as needed. This method of application is useful for:**

**Allergies  
Arthritis and/or rheumatism  
Back pain  
Canker sores  
Colds  
Cuts and minor wounds  
Hayfever  
Heartburn  
Insect stings and bites  
Muscle pain  
Rashes  
Sinus congestion  
Sore throat  
Strains, pulls, strains  
Toothache  
Upset stomach**

## **Application#3**

**Place a small amount of the oil or balm on tongue. This method of application is useful for:**

**Colds  
Coughing  
Drowsiness  
Hayfever  
Heartburn  
Motion sickness or vomiting  
Sinus congestion  
Sore throat  
Upset stomach**

## **Application #4**

**Mix the oil or balm with shampoo or conditioner. Wash hair as usual. This method is useful for:**

**Headache  
Morning sluggishness**

**With all methods of application, avoid contact with the eyes. For young children, dilute with baby oil before applying externally.**

**KEEP OUT OF REACH OF CHILDREN**
